BALDING? LOSING HAIR? THINNING?

THIS IS A WORLDS FIRST AS WE GUARANTEE TO REGROW MORE OF YOUR OWN HAIR OR YOUR MONEY BACK!

MEN & WOMEN OF ALL AGES & CHILDREN WORRY NO MORE

OUR EXCITING NEW IMPROVED FORMULA IS NOT A 'STUCK ON WIG' OR 'LASER' WE ACTUALLY REGROW YOUR OWN NATURAL HAIR

All others say "try ours, it may help". No 'ifs' and 'buts' with us. Please remember, the DHT affected hair roots could die within 4 years. Therefore, when you are offered a 'money back guaranteed hair regrowth program' that actually works, why would you experiment with various other non-effective products? Dead hair roots can not be regrown.

Do lasers, high frequency machines and massages block the balding gene (DHT)? **NO!**

BE VERY WARY ABOUT WHAT YOU HEAR AND SEE!!

SOME SO CALLED 'HAIR TREATMENT' ORGANISATIONS HAVE PROMOTIONS SHOWING 'A BALDING HEAD' CONVERTED TO A 'FULL HEAD OF HAIR', THESE ARE ACTUAL WIGS OR HAIRPIECES & HAS BEEN DOCUMENTED ON TODAY TONIGHT, A CURRENT AFFAIR & IN NEWS PAPERS!

'Wigs' are a 'last resort' for very bald people with no hope of re-growth and/or transplants.

In September '08 a customer pre-planned with an agenda and enrolled under a false name 'John Karlin'. Signed our 'Legal & Binding Agreement, photographs and other relevant documents under the same false name. Did not produce his doctor's prescription as required for the 'regular treatment'. **DID NOT APPLY THE REGULAR TREATMENT OR TAKE ANY PRESCRIPTION TABLETS.** Came back in August '09 demanding a refund **ON THE SPOT.** He sat in my Consulting room for 4 hours, causing a commotion and loss to my business. Finally 2 (Two) Police Officers from the Rocks had to come and physically remove him from my Consulting room.

A few weeks later he created his own WEBSITE under his real name 'Jonar Nader' to vilify me and my reputable business with lies and false accusations. **HE IS ALSO ATTACKING ME PERSONALLY. He is OBSESSED. PLEASE DO NOT BELIEVE HIM AND HIS LIES. IF YOU HAVE ANY DOUBTS, PLEASE COME IN AND DISCUSS THE TRUTH WITH ME.**

Please do not believe Jonar Nader's vexatious, vilifying & lying website & the TODAY TONIGHT'S biased program that we were closed down- **WE WERE NEVER CLOSED DOWN.**

Dear Sam Cohen,
In October 2002, after informing me that I was going 'bald', immediately I took your advice. I, myself was noticing that I was going 'bald', but was too embarrassed to do anything about it. Since using your amazing product, my family and friends have noticed my hair becoming denser, allowing me to grow my hair longer. My girlfriend is really impressed with the results Sam, I am so happy to have met you and you helping me. You are 'MAGIC'. I will continue to send my friends to you to help them also. Thank you very much Sam and your 'MAGIC'. As a follow up I am proud to 'endorse' your product and let the know that with a little maintenance, after all these years, I have kept all my re-grown hair to date and would recommend your "money back guarantee hair re-growth program" to every male or female with 'thinning hair' or 'going bald'.
Thanks again. One of your very happy and satisfied customers. Kevin McGuinness

Dear Mr Cohen,
After years of balding, I gave up hope and figured it was time to face facts of hair loss. That was until I came across Sam's Ad in the paper, I read some of the results that some people had written about the treatment. So I gave Sam a call. At first I was a little sceptical but I gave it a go, and have never looked back since! Sam's treatment dramatically became thicker and I started to get new growth which was dormant in balding areas. My only regret was that I didn't start Sam's treatment earlier.
I recommend Sam's treatment to absolutely anyone with any signs of hair loss, do not hesitate!

Dear Sam, 22 March 2007
I just had to thank you so much. In just 4 months my hair is so much thicker- it is something I never thought would happen at my age of 76 years. I have been depressed for years over the state of my hair- or lack of it - which was becoming progressively worse. The hair loss each day was awful, as a result of which I did not like going out and socializing because I felt very self conscious. Now I feel much more confident and all my family and friends are amazed at the difference which has occurred in such a short time. And is all down to you Sam and your marvellous course of treatment. You have changed my life completely and I would thoroughly recommend IHRB to anyone going through the trauma of hair loss. Once again thank you Sam for all your dedication to people like me.
October 20, 2009. I am very pleased to inform you that I am now 79 years old and with a little maintenance, even 3 years later, all my re-grown hairs are still there on my scalp.
Yours very sincerely Daphne E Monk
